ALLIED WASTE URGES BULKY ITEM PICKUPS AT HOMES FOR CITIES OF CALEXICO, IMPERIAL, BRAWLEY AND HOLTVILLE

Free Pickups Essential in Valley During Quake Recovery Period

IMPERIAL (CA) - Allied Waste Services of Imperial Valley would like to remind our customers in the Cities of Calexico, Imperial, Brawley and Holtville to consider utilizing their large bulky-item trash pickup privilege during this earthquake recovery period. "Allied Waste understands the relief efforts that need to take place and urges the residents to consider using our large bulky item trash pickup service during this quake recovery period. Residents are entitled to monthly picks ups—all they need to do is call our friendly Customer Service Representatives at 760-355 0004--and we will assign them a pickup date to put their large trash items out for pickup," said Chris Coyle, General Manager of Allied Waste.

Allied Waste is also teaming up with the Imperial Valley Resource Management Agency to take any e-waste materials such as televisions, electronics or computer monitors that may have been damaged during the quake as part of their bulky pick up items.

If you require a special bulky item pickup or would like more information regarding service in the Imperial County contact Allied Waste Services of the Imperial Valley at (760) 355-0004.
